

The Art & Science of Comprehensive Dental Care, Part 1: Developing Your Comprehensive Care Strategy

Course Description: In part one of this course, the participant will learn how to move beyond the problem-focused exam and embrace a comprehensive, holistic approach to treatment. This approach provides patients with the Elite standard of care they deserve and seek, while also allowing dentists to practice at the height of their careers and maintain the ethical standards of the profession.

Course Objectives: By the end of this course, the learner will be able to

1. Describe comprehensive dentistry.
2. Explain risk management and how it relates to comprehensive care in dentistry.
3. Identify key ethical principles guiding dentists in the delivery of comprehensive care.
4. List the components of the comprehensive workflow.
5. Discuss synthesizing data and formulating a diagnosis in respect to comprehensive care.

Our Speakers...

Dr. Victoria Yu, DDS- CEO, CDO

Dr. Victoria Yu is the CEO of Elite Dental Partners, leading strategic growth, clinical excellence, and operational performance nationwide. A dentist and experienced executive, she builds scalable systems that elevate patient care, provider support, and practice efficiency. Her leadership is grounded in culture — empowering clinicians with the tools, technology, and environment to deliver exceptional dentistry at scale.

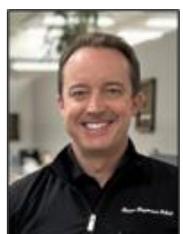

Malcolm Morris, DMD

Dr. Malcolm Morris is a Regional Dental Director who earned his dental degree from the University of Pittsburgh and completed advanced training at the University of Pennsylvania. With over 30 years of experience in prosthodontics, he specializes in restoring and replacing teeth to achieve both functional and aesthetic results.

Vikas Beri, DMD

Dr. Vikas Beri is a Regional Dental Director for Elite Dental Partners who completed his undergraduate training at the University of Illinois at Urbana-Champaign and earned his DMD from Nova Southeastern University College of Dental Medicine. He is an active member of multiple professional organizations, including the ADA, AGD, Illinois State Dental Society, and Chicago Dental Society.

Brian Stegmann, DDS

Dr. Stegmann, originally from St. Louis, is a Regional Dental Director with nearly 20 years of experience in dentistry, particularly passionate about implantology and full-mouth rehabilitations. He encourages colleagues to continuously learn and explore what inspires them in their practice.

Nathan McDonald, DMD

Dr. Nathan McDonald is a Regional Dental Director for Elite Dental Partners who earned his DMD with honors from Western University of Health Sciences and completed a PGY-1 AEGD residency at Roseman University. He is a member of the Academy of General Dentistry, pursuing his AGD Fellowship, with advanced training in implants and functional aesthetics.

Steven Woyat, DDS

Dr. Steven Woyat is a Regional Dental Director who earned his dental degree from Case Western Reserve University and holds credentials as an RDH and EFDA from The Ohio State University. He has completed advanced implant training through ZimVie and combines his clinical expertise with restorative techniques to provide high-quality patient care.
